Stacy,

Truman State University recently launched a comprehensive alumni data verification project.

We've assembled the information currently listed in our alumni files and now **need your help** to confirm the accuracy of your data and fill in any information gaps.

Up-to-date alumni information will be critical in assembling our upcoming alumni directory, developing career placement guides to benefit our students and alumni, and determining our ranking in national evaluations. If we do not hear from you, we are planning to print what we have on file.

Please call 1-866-538-6627 (toll free) to take care of this important matter today.

Your prompt assistance is greatly appreciated. Please call the Truman State University Hotline at 1-866-538-6627 to verify your data today.

For more information about the project, go to https://www.truman.edu/alumni-donors/alumni-directory-project/.

Bulldog Forever!

Sincerely,

Dr. Ernie T. Hughes
Vice President for University Advancement
